**FIVE STEPS TO
SAVE YOU TIME**

BE PREPARED

1

Search to Determine if Your Partner Page Already Exists.

Click the magnifying glass located at the top, right side of tnvacation.com. Enter your business name on the line provided to see if pages with the mention of your business appear. If they do, please reach out to your Division Manager to grant you access to update this page.

2

Have Your Username, Password and Contact Info Handy.

Including your business address, email address, phone number, social media and website URL is required.

3

Please Read and Understand Our Online Submission Criteria.

4

Select Two or More High-Resolution Images and Identify Each One.

The best pages feature a well-edited selection of high-quality photos with concise, compelling descriptions.

5

Prepare a Short Description for Your Attraction, Lodging or Destination.

Remember succinct, descriptive writing is more likely to be read by a visitor. The goal of our partner pages is to inspire viewers to visit your site, so think of this page as an introduction to what you have to offer.

1. HERO IMAGE

Best Practices: This image serves as a visual introduction to your attraction. Please choose a high-quality image with as little text as possible, as there will be copy overlaid on top. (1440 x 818 px min)

2. PARTNER NAME

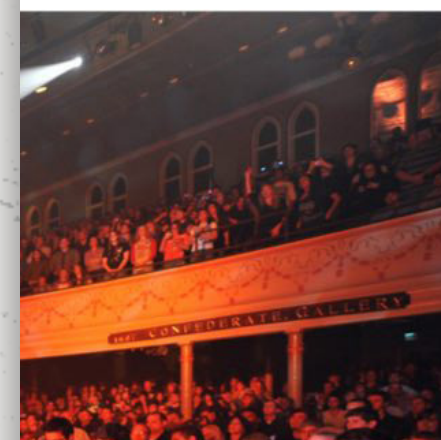

3. HERO SUBTEXT

Best Practices: Short and sweet, this subhead is a teaser for your location. This text is no longer pulled in from Listing Text. Please limit this sentence to 80 characters.

4. NEW VIDEO PLACEMENT

This component is replacing videos playing in the hero image space. A thumbnail is required or the video will not show up on the partner page. If you currently have an image uploaded, this is where it will display.

The screenshot shows a website layout for the Ryman Auditorium. At the top, there are navigation links: 'Cities & Regions', 'Experiences', and 'Plan Your Trip'. On the right side, there are links for 'My Trip' (with a heart icon), 'Stay Inspired' (with an envelope icon), and a search icon. The main header features the word 'TENNESSEE' in large white letters, followed by 'EXPLORE NASHVILLE, TN' and 'RYMAN AUDITORIUM' in a large, bold font. Below this, a subtext reads 'One of the Most Celebrated Venues in Modern Music'. Two buttons are visible: 'VISIT OUR SITE' and 'ADD TO TRIP' (with a heart icon). A video thumbnail is placed over the bottom right of the hero image, showing a red brick building with a play button icon. The callouts are: 1. A bracket on the left side of the hero image. 2. A circle at the top center pointing to the word 'TENNESSEE'. 3. A circle on the right side pointing to the 'ADD TO TRIP' button. 4. A circle on the left side pointing to the video thumbnail.

5. PARTNER DESCRIPTION

Best Practices: Calls to action for users to visit your site have been increased with the updated partner pages. A character count, with spaces, around 550 is encouraged in this section to promote traffic from these pages to your site. This helps ensure that information on these partner pages remains as accurate as possible without the need for your frequent updating.

6. IMAGE SLIDER

Best Practices: Any images larger than 1200 x 630 px will be sized down and cropped to fit the space. Images smaller than this will be scaled up to fit and may display poorly. Captions will display in a bar at the bottom of images. Please aim to keep captions around 50 characters, with spaces.

7. EVENTS

If events for your location have been created, they will display in this location. If no events are present, this band will not be included on your partner page.

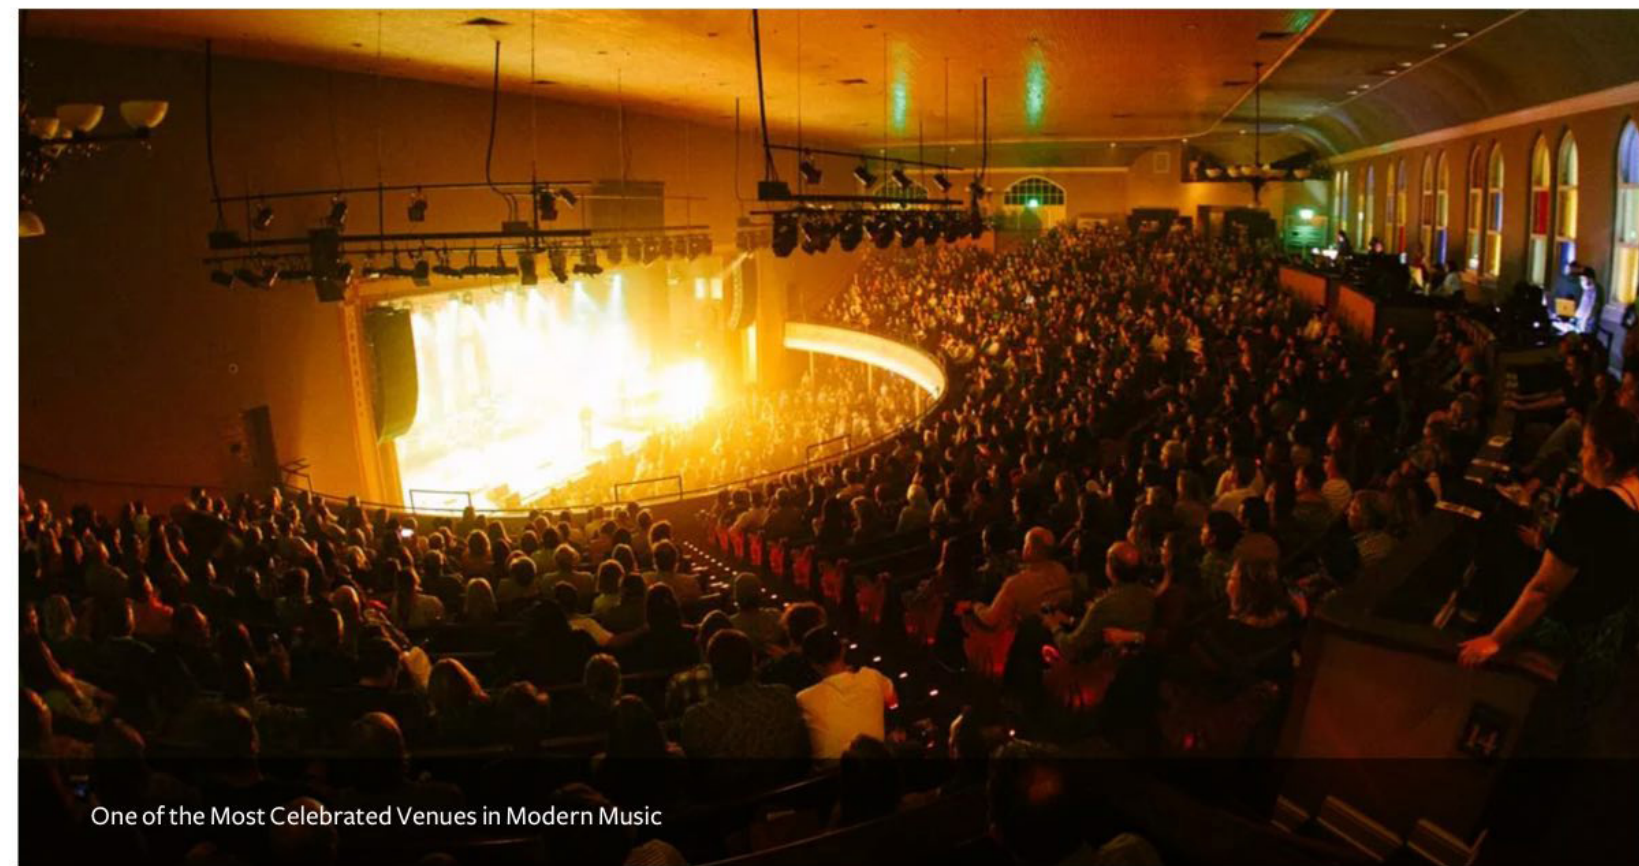

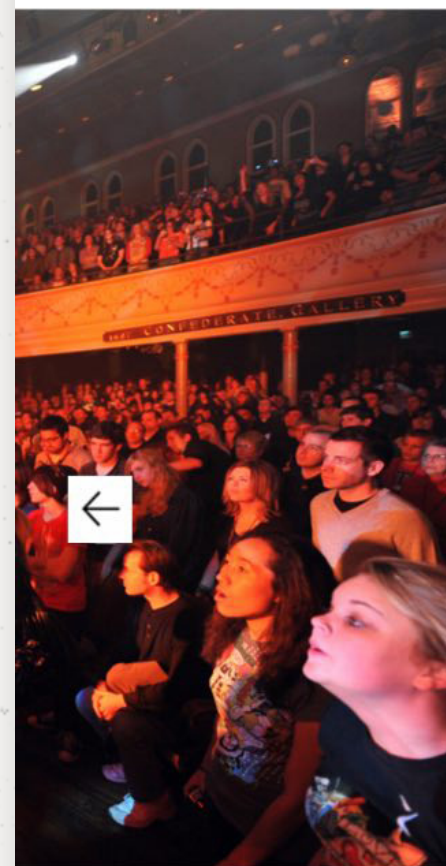

5

Established in 1892 as the Union Gospel Tabernacle, Ryman Auditorium is a National Historic Landmark and a must-see for any Nashville visitor. While famously known as the home of the Grand Ole Opry from 1943 to 1974, there is far more to the story of Music City's most recognizable icon. Take a Self-Guided or Backstage Tour and discover what makes the Ryman the "Soul of Nashville." Then come back in the evening to experience a show with world-class acoustics.
